

DEMOCRATIC VALUES, VIRTUES, AND SPIRITUAL PRACTICES

America's democracy is founded on powerful ideas: We are all created equal. We have the right to life, freedom, and the opportunity to pursue our own happiness. At the same time, we are people in *united* states, trying to form a more perfect union and promote the welfare of all. American democracy can flourish only when citizens are united, at a deep level that transcends ideology, race, and class, with a shared spiritual and moral vision of what America should be.

Democracy is more than a form of government. It is a way of life that can be strengthened through spiritual practices — both those traditionally considered to be “inner work” and those that encourage active engagement with our neighbors and communities. The Practicing Democracy Guides give you specific ways to practice democracy at home, at work, on the Internet, and in other settings.
